UMBR-ELLA PROJECT

AGRO-SHOW IN POLAND

#INNOVATIVE AGRICULTURE

ABOUT THE AGRO-SHOW

Agro Show in Sielinko called National Field Days is an event organized by Wielkopolska Agricultural Advisory Center in Poznań.

It is a 3-day program of celebrations, attractions for farmers, residents of villages and cities, adults, children and youth. It attracts the environment and the agricultural industry from all over Poland. It is both an opportunity to see with your own eyes what modern agriculture looks like, but also to learn more about the traditions of the Polish countryside.
