ABOUT ITM INDUSTRY EUROPE & SUBCONTRACTING FAIR

ITM INDUSTRY EUROPE is the leading trade fair in Poland where the offer of Polish and global industry, whose products and services are in line with the Fourth Industrial Revolution, is extensively presented. It is a key meeting-spot for the exchange of technological experience amongst the leaders of the innovation sector.

SUBCONTRACTING is a special fair for industrial subcontractors, organized together with the ITM INDUSTRY EUROPE industrial fair. To facilitate networking between exhibitors and visitors, the SUBCONTRACTING MEETINGS event is open to everyone.
